6. **Ward Councillor's Report:**

Bin Collection Problems – Clerk raised issue from resident that bins were not being returned to properties, and being left in the middle of the road. Resident and Clerk had logged a complaint with MK Council.

MK Connect – issues still occurring with the new service, particularly with school sixth form students using it to travel to school. Parish Council have not received any feedback from residents.

MK East – there have been minor modifications to the plans with major alterations to the junction and bridge at Willen. Discussion took place regarding phasing of S106 and future impact on the village and the parish boundary.
7. **Police Report:**

From from 12th July to 14th September there had been a theft in the village (8th Sept.). There has been a sharp rise in theft from vehicles in the last few months, Police are advising residents not to leave items on display in cars, some areas are having numerous vehicles targetted in one night.

PCSO Huckle is now part of the rural team.

Neighbourhood Watch – PCSO Ormston & Huckle are keen to get all parishes signed up to the scheme. They will be speaking to residents to encourage them to join.

PCSO Arlene Ormston been awarded PCSO of the year for Buckinghamshire. The parish council congratulated her on the well deserved award.

8. Parish Council Business & Matters Arising from Last Minutes:

- 8.1 MK East:** Follow up meeting with St. James planned for 22 September. Clerk has received no feedback from residents from Facebook post for suggestions for specific area of new development. Council discussed the importance of traffic calming measures at both ends of the village before development starts. A reduction to the speed limit and further speed cameras/speed indicator devices would also be beneficial. The parish council will take into account residents suggestions at the meeting on 22 September and will discuss at a later date the ideas and schemes that would benefit the new community and the current village community.
- 8.2 Land on north side of Cranfield Road:** This plot has been advertised for sale with development potential. **SW** has been in contact with the agent and MKC Head of Planning regarding the council's concerns that it is outside the settlement boundary and classed as an area of open countryside. The policies currently in place would restrict the types of development that may be considered acceptable on a site in the open countryside.
- 8.3 Defibrillator:** Clerk has received the necessary permission from BT to install a defibrillator. The kiosk will need some remedial work before installation. An electrician will be required to fit a RCD and the unit itself, ensuring it is compliant with the specifications required by BT.

- 9. Parish Councillor Reports:** **JH** attended Teams meeting with MK Council and Bloor Homes. Very little information was available on their consultation website and the main topic of concern for those attending was the traffic situation, there was no one at the meeting able to answer questions raised on the subject.
